FHO PARTNERS ANNOUNCES 10,792 SQUARE FOOT LEASE FOR FTG TECHNOLOGIES AT BATTERYMARCH PARK IN QUINCY, MASS.

BOSTON—August 3, 2009-- FHO Partners, a leader in the commercial real estate services field with extensive experience in the Great Boston office market, today announced a new lease for FTG Technologies, an enterprise solutions provider that offers voice and data networking design, installation and maintenance services to customers, at 2 Batterymarch Park in Quincy, Mass.

Constructed in 1986, 2 Batterymarch Park is part of the four-building class-A office park, Batterymarch Park, located in Quincy, Mass. The building offers an on-site full-service cafeteria and is convenient to the South Shore's major shopping malls, hotels and restaurants. Its location at the intersection of Route 93 and Route 3 allow tenants ready access to the area's highway system.

Tom Kent, partner at FHO Partners, and LEEANNE RIZZO, senior associate of FHO Partners, represented the tenant, FTG Technologies. Nat Kessler, first vice president of CB Richard Ellis, represented the landlord 2 Batterymarch, LLC.

About FHO Partners

FHO Partners is a commercial real estate firm providing brokerage and transaction management services to multi-market, national and international corporate real estate portfolios, both owned and leased. In the world of commercial real estate advisory and brokerage firms, FHO Partners' people-powered approach stands out. The senior partners of the firm have worked together for over 20 years providing customized advisory consulting and brokerage services to an extensive range of corporate and institutional clients, both locally and on a national and international basis. Through the firm's close working association with its network of domestic and international offices, FHO Partners serves clients in every major metropolitan area in the United States and Canada, as well as throughout Europe and the Far East.
